

# Game. Snow. Tic Tac Toe.

## 1 Number of players

The snow Tic Tac Toe is played in pairs.

## 2 Game preparation

Each of you needs three identical game pieces. These can be stones, pine cones, snowballs, pieces of bark etc.

Draw the playing field in the snow as shown (black lines). You can also look for wooden sticks to make the same grid.

## 3 And this is how it works:

Now take turns placing a piece in the empty boxes on the board. The aim is to place your own piece three times in a row, column or diagonal. The first player to succeed wins.
