

Rules paddock at the Bike Kingdom Feast

- Only those who have officially registered via the form and made payment on time will be admitted.
- The parking card must be clearly visible in the vehicle
- Users of the paddock without a valid car park card and without participation in the iXS European Downhill Cup will be fined with CHF 200.
- Overnight stays in the car park are ONLY permitted from June 20th – 23rd 2024.
- Barbecuing is only permitted with a gas barbecue, charcoal barbecues and open fires are strictly prohibited.
- Mobile toilets are available at the event site, please use these or the public facilities at the valley station. The forest is not a toilet!
- The showers and other sanitary facilities are located at the [Canols kiosk](#) and the [Lido kiosk](#) and are open from 8.00 am to 8.00 pm. The facilities must be left clean for others to use. No clothes or bikes may be washed.
- Grey water (dirty water) is NOT allowed to be emptied in the drainage shafts, otherwise the lake will be polluted!
- Black water can be disposed free of charge at the Stellplatz Fadail in the designated area.
- Considerate behaviour is required. Keep the volume down from 10.00 pm. It is a sporting event and other participants want to be able to sleep peacefully.
- At the paddock at the Rothorn valley station there is a washing-up facility for dirty dishes in the wash boxes.
- Dispose of waste in the skip provided. Please bring your own rubbish bags and do not leave any rubbish lying around during the entire event weekend (nature and animal protection).

It is our responsibility to protect nature so that we can continue to enjoy it in all its diversity.
